The bulb crop acreage, in this area, is over a third short of last season, due mostly to the higher cost of growing and handling. Of course most of the decrease is in the lower priced commercial varieties, but we are sure it will have a definite tendency to cut down the surplus later in the season. To be sure your orders are filled we urge you to place your orders early.

POOL CAR SHIPMENTS

We will have pool carloads for eastern points, again this season, with stop-over at Chicago. Shipping dates will be about March 1st and April 1st. Also expect to have a pool car for Florida with stop-over either at Mobile, Ala., or New Orleans, La. WRITE us in regards this service to help you save on freight.

SHIPPING DATE

Our bulbs will be ready for shipping anytime after DECEMBER 1st.

IN REGARDS 100 PRICE
